

## Carthage Film Festival

14 to 21 December 2024

### General Rules and Regulations

#### Article 1

The **CARTHAGE FILM FESTIVAL** also known through its French acronym **JCC** (**JOURNÉES CINÉMATOGRAPHIQUES DE CARTHAGE**) is an annual event of which the founding goal is to present films to the general public and to organize meetings between the public, authors, directors, producers, distributors, technicians, interpreters and every person involved in the cinematographic field. The main objective of these cinematographic days is to showcase and promote African and Arab films.

#### Article 2

The Carthage Film Festival (JCC) is organized under the aegis of the Ministry of the Cultural Affairs and is managed by:

A Director-General who defines the general guidelines and is responsible for the organization of the festival through an organizing committee reporting to him.

A Steering Committee comprising: the Festival's Honorary President (The chairman of the Steering Committee), The Artistic Director, The General Secretary, The General Coordinator, The Artistic Advisor, The Communication manager and the Director of Audiovisual and Performing Arts at the Ministry of the Cultural Affairs. The Steering Committee is appointed by the Minister of the Cultural Affairs. It is chaired by the Honorary President of the Carthage Film Festival (JCC) and convened by him as often as necessary.

The Steering Committee is supported for the continuity of the Festival and the connection between sessions by a Permanent Secretariat of Carthage Film Festival (JCC), composed of a Permanent Secretary and a Deputy Permanent Secretary chosen by the Chairman of the president of the Steering Committee.

The Steering Committee's task is to discuss and validate the strategic choices of the JCC and draw the attention of the Director-General to possible breaches of these General Rules and Regulations.

- An Executive Committee chosen by the Director-General and under his responsibility. This committee is in charge of the organization of the JCC in their artistic, technical, logistical and financial aspects.

- An expanded Advisory Committee chosen by the Director-General and under his responsibility. This committee is made up of the heads of the most representative film associations in the sector as

well as three (03) personal advisors appointed by the Director-General. This Advisory Committee shall be convened by the Director-General as often as required.

-A Support Committee: made up of representatives of the ministries and institutions involved in the organization of the JCC. This committee is chaired by the Director-General.

### **Article 3**

The films participating in the J.C.C in the OFFICIAL COMPETITIONS sections, apart from the parallel sections and any special screenings, must have been completed after the date of **01/01/2024**

Any film selected and entered in the JCC program:

- cannot be removed by the director or producer (before or after its screening)
- will be the subject of a maximum of four (4) screenings. The possible 4th screening could take place within the framework of the programming of the other activities (Art.4 - other activities).

### **Article 4**

JCC accepts feature films, animated films, and short or long documentary films.

- A film with a minimum length of 60 minutes is considered a feature film.
- Short films are defined as any film with a maximum duration of 30 minutes.

The official JCC program includes the following sections:

**-OFFICIAL COMPETITION** section: open to long and short African and Arab FEATURE or ANIMATION films.

**-OFFICIAL COMPETITION OF DOCUMENTARY FILMS** section: open to long and short African and Arab documentary films.

- NATIONAL COMPETITION section : **HORIZONS DU CINEMA TUNISIEN**: open to Tunisian feature films officially selected by the festival and not included in the first official competition

**-The CARTHAGE CINÉ PROMESSE** section is intended to present African and Arab film schools. Are accepted fiction, animation films or documentaries with a maximum duration of 30 minutes

**-Official Section OUT OF COMPETITION**: Competitive Section open to feature-length and short fiction, animation and documentary films from Africa and the Arab world.

**SPECIAL SECTION** of the 35th Session: « **PANORAMA 34** », **Non-competitive section presenting films selected by the 34th session of the Carthage Film Festival (JCC) that did not take place, and have not yet been screened to the public as part of the JCC.**

**-Parallel sections:** CINEMA OF THE WORLD, TRIBUTES, SPECIAL AND OTHER SESSIONS: open to short and long films regardless of their origin or their genres (feature, animation, documentary)

- Professional Department: **CARTHAGE PRO**": In addition to screenings, the Carthage Film Festival (JCC) organizes professional activities comprising 2 main workshops:

-**"CHABAKA" A SUPPORT WORKSHOP for projects in development** endowed with development grants, designed to foster co-productions between African, Arab and other countries by putting producers, directors and writers with feature film projects in development in touch with international film industry professionals.

- **"TAKMIL" A finishing workshop for projects in postproduction**, designed to support projects already underway by African and Arab filmmakers, by awarding grants to films in the finishing phase. This workshop is aimed exclusively at first and second works.

**"MEET THE TALENTS:** Workshop on learning to present first feature film projects in development (pitching, meetings with potential producers, project development methods, etc.)

- **CARTHAGE TALKS** »: Panels, Master classes.

#### **OTHER ACTIVITIES:**

- An international symposium on a theme of interest to the film professions.

- Meetings, exhibitions, round tables and conferences on the art and industry of filmmaking in African and Arab countries and in the cinema of the South.

- **JCC IN THE REGIONS:** Programming of films in various towns in the interior of the country as part of a JCC decentralization cycle.

- **JCC IN PRISONS:** Programming of films in prisons, including films in competition, between shorts and features, in the presence of directors, actors and guests, in partnership with national and international institutions.

-**JCC in military barracks**, including short and feature-length films in competition, in the presence of directors, actors and guests, in partnership with the relevant national institution.

- Programming of films in schools and universities, including short and feature-length films in competition, in the presence of directors, actors and guests, in partnership with the relevant ministries.

## **Article 5**

The selection of films for the various sections is the responsibility of the JCC Artistic Direction, with the advice of the Festival's Honorary President, who alone is empowered to compose the selection juries and determine the number of feature-length films and shorts that may be selected in one or other of the above-mentioned sections, after viewing electronic links of the films with French or English subtitles.

To be eligible, films must be:

- either requested by the JCC artistic direction from their directors or producers, or their beneficiaries, who have agreed to their inclusion in one or other of the sections.
- or proposed to the JCC artistic management by their directors or producers or their successors with a view to their inclusion in one of the sections.

## **Article 6**

To be accepted in the **OFFICIAL COMPETITIONS** any film must:

- Be directed by an African or Arab filmmaker.
- Not have been selected in any other Tunisian festival
- Be produced after the date of 01/01/2024
- The **OFFICIAL COMPETITION** Sections are open to two (2) short films and a maximum of two (2) long feature films per country, with the exception of Tunisia, which may present three (3) long and three (3) short films.

## **Article 7**

Films participating in the JCC are only representing their directors and/or producers to whom are explicitly granted distinctions, awards, or other advantages depending on the sections. These films are presented to the public under JCC Management's exclusive responsibility in accordance with these General Rules and Regulations. The participating films cannot, in any case, be considered as engaging or officially representing in the J.C.C, the governments or the States of which their directors and/or producers are nationals.

## **Article 8**

An official award list, established and proclaimed by an international jury of five (5) to seven (7) members, appointed by JCC Management, shall proclaim the winners in the **OFFICIAL COMPETITION** section of feature and animation long and short films.

An official award list is prepared by an international jury of three (3) to five (5) members, appointed by the JCC Management, shall proclaim the winners in the OFFICIAL COMPETITION section of short and long documentary films.
